Re: Request for information under the Freedom of Information Act 2000

Thank you for your email, dated 28 January 2019, making a request under the Freedom of Information Act 2000 for access to information which may be held by NHS Greater Preston Clinical Commissioning Group (CCG).

Please find detailed below NHS Greater Preston CCG’s response to your request, which is formatted as follows:-

1. Details of NHS Greater Preston CCG’s decision in regard to the information requested.
2. A schedule of all the records covered by your request.
3. A statement concerning copyright and re-use of public sector information.
4. Details of how you can appeal this decision should you wish to do so.

This letter addresses each of these parts in turn:-

1. Decision

   I can confirm that NHS Greater Preston CCG holds the information requested.

2. Schedule of records/FOI response

   Request: 1) Please provide details of any services the CCG currently commissions or previously commissioned specifically targeted at the homeless population (for example, homelessness outreach, homeless clinics, homeless health teams) – please provide the name of the service and the cost/budget associated with/to the service. Please provide this information for each of the following financial years – 2014/15, 2015/16, 2016/17, 2017/18, 2018/19 (projected spend/budget allocated for 2018/19 is fine).

   2) Please provide the number of staff employed/contracted by the CCG whose job role is primarily focused on homeless health.

   3) Does your CCG have a clinical lead for homelessness? Please provide their name, job title, and place of regular work.
Response: The CCG does not commission any services specifically for the homeless and does not have any staff/clinical leads whose main focus is on homeless health. Patients who are homeless should be able to access any of the universal services, for example, Accident and Emergency departments.

Request: 4) Please confirm whether your CCG has a hospital discharge protocol between providers of acute mental health services and local homelessness services including multi-agency support planning in place.

Response: The CCG funds a housing officer, based at Lancashire County Council, part of whose role is to support multi-agency planning for patients being discharged from acute mental health services.

3. Copy and reuse of public sector information provided in FOI response

Most of the information provided by NHS Greater Preston CCG in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In the majority of cases the information will be owned by NHS Greater Preston CCG. The copyright for other information may be owned by another person or organisation, as indicated in the information itself: in this case you must apply to the copyright owner to obtain their permission.

You are free to use any information supplied for your own use, including for non-commercial research purposes. It may also be used for the purposes of news reporting. However, any other type of re-use, for example, by publishing the information or issuing copies to the public will require the permission of the copyright owner.

4. Right of appeal to FOI response

Initially you should complain in writing to the freedom of information officer, either by email on gpccg.foi@nhs.net or post to Chorley House, Lancashire Business Park, Leyland, PR26 6TT, specifying why you feel you have been wrongly denied access to the information requested.
