This letter addresses each of these parts in turn:-

1. Decision

    I can confirm that NHS Greater Preston CCG holds the information requested.

2. Schedule of records/FOI response

    Request: Please provide details of which healthcare provider operates musculoskeletal services (including physiotherapy, rheumatology, orthopaedics, pain management and podiatry services) in your CCG, or each of the CCGs you operate FOI requests for. Please include the type of contract this provider is operating under (e.g. AQP/Block contract etc.).

    Please detail when did each of these contracts start, and how long is each contract for, and whether it is subject to a rolling extension (or is tendering re-opened?).

    What is the expenditure on each of these contracts per year, or the total value of the contract?
    What is the overall expenditure on MSK services in your region per year?
Response: Details of the CCG’s integrated MSK service can be found on the CCG website at: [https://www.greaterprestonccg.nhs.uk/procurement-tendering-and-contracting](https://www.greaterprestonccg.nhs.uk/procurement-tendering-and-contracting). This is a block contract provided by Lancashire Care NHS Foundation Trust (LCFT).

It should be noted that the costs of this contract is shared with NHS Chorley and South Ribble CCG.

Podiatry services are not included in the integrated MSK service and are provided separately as part of a rolling block contract with LCFT. The cost of the podiatry contract for NHS Greater Preston CCG is £1122k.

Request: Does your CCG partner with any other CCGs in deciding which contracts to award. If so, which CCGs?

Response: The CCG partners with NHS Chorley and South Ribble CCG when commissioning these services.
