3. Copy and reuse of public sector information provided in FOI response

Most of the information provided by NHS Greater Preston CCG in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In the majority of cases the information will be owned by NHS Greater Preston CCG. The copyright for
other information may be owned by another person or organisation, as indicated in the information itself: in this case you must apply to the copyright owner to obtain their permission.

You are free to use any information supplied for your own use, including for non-commercial research purposes. It may also be used for the purposes of news reporting. However, any other type of re-use, for example, by publishing the information or issuing copies to the public will require the permission of the copyright owner.

4. Right of appeal to FOI response

If you are dissatisfied with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you are entitled to complain in the following way:

Initially you should complain in writing to the freedom of information officer, either by email on gpccg.foi@nhs.net or post to Chorley House, Lancashire Business Park, Leyland, PR26 6TT, specifying why you feel you have been wrongly denied access to the information requested.
